

# Saturday Science Series

Are you fascinated by space? Are you curious about the origins of the universe or the evolution of galaxies? Join us for the Saturday Science Series! This virtual lecture series will examine the Big Bang, the expansion of the Universe, and more. You will learn about research processes in astronomy and careers in cosmology and astrophysics. Anyone who attends all four lectures will receive a certificate of participation.

Please join us on October 9, 16, 23, and 30. Register at
